Social Skills Classes - starting in other locations

This is a great opportunity for the kids to make friends and learn appropriate social interactions in a safe environment. For the classes away from the Joshua Center we ask parents to provide a credit card number for the Joshua Center staff to keep on file. The card will be processed the Monday following the class only if your child has attended. We are developing new lessons so feel free to make suggestions by emailing Becky at becky@joshuacenter.com. We are here to meet the specific needs of the kids so we want to hear from you.

If interested in other locations contact Becky at 816-763-7605 or email at becky@joshuacenter.com. We would like to offer the classes in the Olathe area and will need a church location. If you are interested in teaching these classes or know someone who would be a great social skills instructor please contact us. Training and supplies are provided.

Social Skills - Let's Get Organized for school

Register now for this annual event for the kids. Email Becky at becky@joshuacenter.com if interested or register on the website at www.joshuacenter.com. Your child will attend his regular class time for this activity. The kids fill a tool caddy with all the supplies they need for homework. We review what it takes for them to have a successful school year. The kids love it and the parents really love it. We will hold the classes August 7th and 14th in lieu of regular social skills classes. The fee for this class is \$65 to cover all the cost of supplies. Classes are available at the Joshua Center and Blue Springs locations.

Lego Club

Lego Club is so successful on Friday afternoons for kids 5th - 7th grades we are offering another class for 1st and 2nd graders every Tuesday at 4:30pm at the Joshua Center. If interested please register at https://joshuacenter.com/skills_reg_lego.htm. We will start when we have 4 children registered. If interested in Lego Clubs in other locations please contact Becky at 816-763-7605 or by email at becky@joshuacenter.com.
